EDUCATION

University of Science Malaysia, Penang, Malaysia (It is ranked #142 in QS Global World Rankings 2021)

Ph.D. in Management Information Systems
2019

Thesis: A Conceptual Framework for Intention to Use Mobile Banking Services: A Study from Jordan

University of Banking and Financial Sciences, Amman, Jordan

Master in Management Information Systems
August 2011

Coursework mode (Very Good)

Al-Balqa Applied University, Irbid, Jordan

Bachelor in Management Information Systems
June 2007

Coursework mode (Good)

Experiences

- Teaching the ICDL courses in different educational centers from July 2007 to July 2011
- Assistance in teaching at Balqa Applied University – Ajloun college from July 2011 to July 2013
- Teaching in Jadara University / School of Business in first semester 2020/2021. (Part time)
- Teaching as an Assistant Professor at Ajloun National University / Faculty of Business from the second semester 2020/2021 until now

Courses taught

- Business Communication Skills
- Strategic Management
- Principles of Management Information Systems
- Electronic Management
- Electronic Commerce
- Knowledge Management
- Legislations and Ethical Responsibility for Information Systems
- Business Intelligence Systems
- HR Information Systems
- Contemporary Issues in Information Systems
- Computer Applications in Business
- Strategic Information Systems

SKILLS

Language - Fluent in Arabic, Advanced English, Elementary Malay and Deutsch

Computer Skills - Microsoft Office, Internet Work

Research Interests – Technology Adoption / Acceptance, Mobile Applications, Knowledge Management

Data analysis – The ability to analyze quantitative data using a statistical analysis program e.g., SPSS, AMOS, and PLS as well as qualitative data
