PROFILE

I am Hanadi Mahmoud Mansour. I have received a B.S.c and M.S.c in Statistics from Yarmouk university, and the P.H.D. degree in Applied Statistics from Institute of Statistical Studies and Research , Cairo University, more specifically in Resampling . My Statistical research areas in Sampling, Resampling, Applied Statistics, Regression Analysis, General linear models, Random field. I have published two research papers in far east journal for mathematical sciences, Scopus , the second paper published in Egyptian Statistical journal. I attended two conferences of the Union of Arab Statisticians. I have taught a wide range of statistics courses across several institutions, including King Abed Al-Aziz university in Saudi Arabia, and I bring strong experience in curriculum development, course coordination. I remain committed to staying current with advancements in statistical science

EDUCATION

- Ph.D. – Degree in Applied Statistics, Department of Statistics, Institute of statistical studies and research, Cairo university (2017).
- M.Sc. – Degree in Statistics, Department of Statistics, Faculty of Science, Yarmouk University - Jordan (2007).
- B.Sc. – Degree in Statistics, Department of Statistics, Faculty of Science, Yarmouk University - Jordan (2003).

WORK EXPERIENCE

- Assistant Professor of Statistics - faculty of science, Mathematics Department, Ajloun National University Jordan, from Mar 17, 2026 – Present.
- Full-time lecturer, Department of Statistics, King abed-al Aziz university, Jeddah, Saudi Arabia. Sept. 2008 – June. 2013

PROFESSIONAL ACTIVITIES

Department of Mathematics, Ajloun National University:

Member of the University Competency Exam Committee.

Member of the Examinations and Grading Audit Committee.

SKILLS

- Excellent in paying attention to details.
- I have experience in dealing with students' individual needs.
- Excellent in handling challenges and stressful workloads.
- Work efficiently under pressure.
- Team work and collaboration.
- Excellent in using Microsoft office, word, excel, powerpoint.
- Excellent in Statistical packages, R , SPSS, Minitab.
- Qualified and trained in online teaching such as Centra, EMES training .
- Excellent handling challenges and stressful workloads

PERSONAL DATA

Name: Hanadi Mahmoud Mansour
Sex: Female
Religion: Islam
Marital Status: Single
Date of birth:15/12/1981
Nationality: Jordanian
Contact Address: Jordan, Irbid.
Phone: +962791189098.
Email: Hanadi@anu.edu.jo
drhmym8@gmail.com
Languages
Arabic (Native)
English

TEACHING EXPERIENCE

- Principles of Statistics
- Statistics Methods.
- Probability Theory
- Time Series Analysis
- Regression Analysis
- Non-parametric Statistics
- Design and analysis of experiments
- Statistical Packages
- Operation Researchs
- Quality Control
- Statistical Techniques.

RESEARCH INTERESTS

- Sampling Techniques
- Resampling Methods
- Regression Analysis
- Random Fields

PUBLISHED PAPERS

Mansour. H. , Almousa . A. & Riad . M. (2017). Effective Techniques for Estimating the Parameters of Grubbs Model with Applications. Far East Journal of Mathematical Sciences (FJMS), 102(4), 779-791.

Mansour. H. & Almousa .A. (2018). Resampling Techniques for Estimating the parameters of Grubbs model with asymmetric heavy-tailed distributions. The Egyptian statistical journal. 61(2), 125-139.
